

# Truelight Summer Camp 2022

## Welcome to ROR!

We believe that the summer is an important time for kids to grow, develop and enjoy their youth. Read or run summer Camp will always look to foster relationships, offer a fun camp environment and teach kids about God, while providing opportunities for them to bridge the learning gap between June and September.

## Academic Classes

All curricula are based on standards for Math and ELA for the grade levels that students will be entering in September 2022. Special attention is given to addressing learning gaps from the previous year, inspiring a love of learning and practicing to keep and hone develop learned skills.

## Special Activities

Diverse and exciting activities each day that give some a chance to go deeper into something they already have a passion for and others to discover a new passion

**July 5 –  
Aug. 12**  
**Grades K-8**

## Bible Studies and Devotionals

Teachers and Pastoral staff lead students in daily interactive activities to help them learn and grow.

# About our Program

**Focus:** We believe that the summer is an important time for kids to grow, develop and enjoy their youth. Read or run summer Camp will always look to foster relationships, offer a fun camp environment and teach kids about God, while providing opportunities for them to bridge the learning gap between June and September.

**Read or Run Time:** This is a time that we always start and end the day with. The goal is for this to be a self-directed time where students can take ownership of the activities that they engage in. Here, students can play games, read books, solve puzzles, build or begin their day in any way their choosing.

**Class Time:** Students spend time each day learning math and English from our dedicated and friendly teaching staff. All curricula are aligned with the state learning standards for each grade and content area. Many of our staff members are training to be educators and look to use innovative and effective strategies in the classroom to promote student engagement.

**Special Activities:** Students will engage in a different special activity each day designed to peak their interest and present fun learning opportunities that they would not have had otherwise. They will also do this in their own class groups so each activity will be target to his or her particular age group.

**Teaching Staff:** Every year we are amazed at the quality of the candidates that are willing to serve our church and work with the kids at our camp. They devote their summer to this program and put so much into making Read or Run a positive experience for their students. Many of our teachers and counselors are looking to go into a career in education, while some are currently working in the education field. All staff are friendly, caring and see this as more than just a job. We place a strong importance on working with people who also see this as an opportunity to serve the youth and to serve God.

# Frequently Asked Questions

## How big are the class size?

We will look to limit class sizes to 10 students per class. Students who would like to register into a full class will be placed on a waiting list. If there is enough interest for that grade level we will open another class for that grade level

## Will there be field trips?

Each Friday we will have a special activity. This will usually not involve leaving the church. Some camps are charging an extra fee for field trips and those who do not pay the additional charge are asked to stay home those days, since all staff would be needed to supervise kids. If we did field trips each week we would probably need to do something similar. This is why we have decided to plan team building activities and events at, or close to, church to limit logistical problems.

## Is lunch provided?

Lunch is available this year for an additional charge. If parents choose to pack lunch for their kids, they do not need to pay this fee.

## What is the curriculum like?

All curricula are based on learning standards for the grade that students will be going into in September. All students will be getting books that they will work through during the course of the camp as teachers will also look to develop activities that can help students to apply what they have learned.

## What is the policy on masks?

As of now, we are planning for masks to be optional for students and staff. This may change but will be in accordance with the state requirements.

## Andrew Piascik

### Read or Run Summer School Director

I am extremely excited about this summer and am looking forward to all it has in store. I have helped run this program and served at True Light for over 5 years, while also educating as a high school science teacher in NJ public schools. As a teacher and parent of 4, I have seen all the challenges students have faced with online/hybrid learning, not to mention the inability to meet one another. I think that this is an opportunity for students to feel some sort of normalcy again and, honestly, I can't wait!

## Kumhee Gloria Kim

### Read or Run Summer School Director

I have been serving at True Light Toddler Ministry for the past 5 years as a director. I also have experience teaching at daycare and Korean school. I have 3 children and am still working as a pre-K and kindergarten teacher. I am so happy to be working with kids and look forward to continuing to have a positive impact on the children's growth in God's love.

### How will we communicate leading up to ROR 2022?

We will be reaching out to everyone who has registered via email and will continue to do so throughout the summer camp.

### How will we communicate during ROR 2022?

We will continue to send out emails, but there will also be a group on Kakaotalk for parents to join if they prefer.
